HOLOGRAPHIC ROOM SIMULATION SERVICE

Computer simulation of listening room

Survey of the relevant geometric room data via a questionnaire.
This data will be used to 1:1 rebuild a virtual room in our laboratory
computers. The propagation of sound waves will be simulated and
the precise data for the settings of the subwoofers determined.

850 €/yksikkö

Transfer of the calibration data as a list and/or
as a filter-file for direct upload

HOLOGRAPHIC ROOM SIMULATION SERVICE

Metrological recording of the listening room and analysis of the audio data*

Using calibrated test equipment, our authorized service partner* executes
precise measurements in multiple spots of the listening room.
This audio data will be transferred to our laboratory computers, analyzed
and the precise data for the settings of the subwoofers determined.

1250 €/yksikkö

Transfer of the calibration data as a list and/or
as a filter-file for direct upload

*optional service fees of the authorized service partner are not included
in the price.

POWER CORD AC-PWR.325AG

Description

Braided triple-wire cable, outer diameter 8.2mm
Inner conductor: 50 strand silver plated OFC copper
Isolation material: temperature resistant FEP-terflon
Color coding of inner leads: blue, brown & yellow-green
Protective outer shielding: transparent polymer layer

Standard cable sets

1.5 meter AC-PWR.325AG power cord incl. Rhodium plugs carbon finish
3.0 meter AC-PWR.325AG power cord incl. Rhodium plugs carbon finish

480 €/yksikkö
680 €/yksikkö

Individual configuration

1 x AC-PWR.325AG power cord per meter length

140 €/metri

SCHUKO-plug (1 x male & 1 x female) Rhodium w/carbon finish

290 €/kaapeli

SPEAKER CABLE AC-SPK.090AG

Description

Braided 2-pole cable (2 x 2.5mm²), outer diameter 6.0mm
Inner conductor: 19 strand silver plated OFC copper
Isolation material: PTFE polymer
Color coding of inner leads: orange & grey
Protective outer shielding: PET polyethylene

Standard cable sets

2 x 1.5 meter AC-SPK.090AG speaker cable incl. MultiContact bananas
2 x 3.0 meter AC-SPK.090AG speaker cable incl. MultiContact bananas

600 €/yksikkö
1 040 €/yksikkö

Individual configuration

1 x AC-SPK.090AG speaker cable (mono) per meter length

150 €/metri

Termination (both ends) with gold plated MultiContact hollow tip bananas

80 €/kaapeli

Termination (both ends) with gold plated spades

80 €/kaapeli

SPEAKER CABLE AC-SPK.090AG

Description

Braided triple-wire cable (3 x 0.24mm²), outer diameter 4.0mm
Inner conductor: 3 solid core, silver plated OFC copper wires
Isolation material: PTFE polymer / FEP copolymer
Color coding of inner leads: red, white & black
Protective outer shielding: white FEP copolymer

Standard cable sets

2 x 1.0 meter AC-INT.324AG interconnect cable with Neutrik XLR plugs
2 x 1.5 meter AC-INT.324AG interconnect cable with Neutrik XLR plugs

360 €/yksikkö
440 €/yksikkö

Individual configuration

1 x AC-INT.324AG interconnect cable (mono) per meter length

90 €/metri

Termination (both ends) with Neutrik XLR plugs (1 x male & 1 x female)

100 €/kaapeli

Termination (both ends) with HiCon RCA/cinch plugs

100 €/kaapeli
