1.400 EUR/unit

## HOLOGRAPHIC ROOM SIMULATION SERVICE

### Computer simulation of listening room

Survey of the relevant geometric room data via a questionnaire. This data will be used to 1:1 rebuild a virtual room in our laboratory computers. The propagation of sound waves will be simulated and the precise data for the settings of the subwoofers determined.

900 EUR/unit

Transfer of the calibration data as a list and/or a filter-file for direct upload

## HOLOGRAPHIC ROOM MEASUREMENT SERVICE

### Metrological recording of the listening room and analysis of the audio data\*

Using calibrated test equipment, our authorized service partner\* executes precise measurements in multiple spots of the listening room. This audio data will be transferred to our laboratory computers, analyzed and the precise data for the settings of the subwoofers determined.

1.400 EUR/unit

Transfer of the calibration data as a list and/or a filter-file for direct upload

\* optional service fees of the authorized service partner are not included in the price.

\*recommended MSRP retail prices incl.VAT; Ex works Lautertal-Germany; Prices are subject to change without any notice.  
1) delivery time for customer-specific wooden veneer or lacquer finishes is 6 - 8 weeks after receipt of order.  
1) delivery time for high gloss piano lacquer coating is 12 - 14 weeks after receipt of order.

**POWER CORD AC-PWR.325AG**

**DESCRIPTION**

Braided triple-wire cable, outer diameter 8.2mm  
 Inner conductor: 50 strand silver plated OFC copper  
 Isolation material: temperature resistant FEP-teflon  
 Color coding of inner leads: blue, brown & yellow-green  
 Protective outer shielding: transparent polymer layer

**STANDARD CABLE SETS**

1.5 meter AC-PWR.325AG power cord incl. Rhodium plugs carbon finish 590 EUR/cable  
 3.0 meter AC-PWR.325AG power cord incl. Rhodium plugs carbon finish 870 EUR/cable

**INDIVIDUAL CONFIGURATION**

1 x AC-PWR.325AG power cord per meter length 190 EUR/meter  
 SCHUKO-plug (1 x male & 1 x female) Rhodium w/carbon finish 310 EUR/cable

**SPEAKER CABLE AC-SPK.090AG**

**DESCRIPTION**

Braided 2-pole cable (2 x 2.5mm<sup>2</sup>), outer diameter 6.0mm  
 Inner conductor: 19 strand silver plated OFC copper  
 Isolation material: PTFE polymer  
 Color coding of inner leads: orange & grey  
 Protective outer shielding: PET polyethylene

**STANDARD CABLE SETS**

2 x 1.5 meter AC-SPK.090AG speaker cable incl. MultiContact bananas 810 EUR/cable set  
 2 x 3.0 meter AC-SPK.090AG speaker cable incl. MultiContact bananas 1.250 EUR/cable set

**INDIVIDUAL CONFIGURATION**

1 x AC-SPK.090AG speaker cable (mono) per meter length 190 EUR/meter  
 Termination (both ends) with gold plated MultiContact hollow tip bananas 125 EUR/cable

**INTERCONNECT AC-INT.324AG**

**DESCRIPTION**

Braided triple-wire cable (3 x 0.24mm<sup>2</sup>), outer diameter 4.0mm  
 Inner conductor: 3 solid core, silver plated OFC copper wires  
 Isolation material: PTFE polymer / FEP copolymer  
 Color coding of inner leads: red, white & black  
 Protective outer shielding: white FEP copolymer

**STANDARD CABLE SETS**

2 x 1.0 meter AC-INT.324AG interconnect cable with Neutrik XLR plugs 375 EUR/cable set  
 2 x 1.5 meter AC-INT.324AG interconnect cable with Neutrik XLR plugs 500 EUR/cable set

**INDIVIDUAL CONFIGURATION**

1 x AC-INT.324AG interconnect cable (mono) per meter length 125 EUR/meter  
 Termination (both ends) with Neutrik XLR plugs (1 x male & 1 x female) 125 EUR/cable
